

## IPFS TOTALPAY® PROVIDES PREMIUM PAYMENT FLEXIBILITY FOR YOUR CLIENTS

For more than 45 years, Imperial PFS® has made it possible for business owners to pay their insurance premiums via installments through traditional premium financing. We are pleased to add more flexibility to our payment options – the ability to pay premiums with a single payment. With the addition of the ability to pay in full, clients may choose the payment option that works best for them from a single access point without requiring you to re-quote.
